

Greetings Second Harvest volunteers! A friendly reminder here that our monthly food distribution is happening this **Saturday, May 18** at our new permanent home: **Greensboro Elementary School**. For those of you that have not yet joined us at the elementary school a **map is attached below** with directions and designated parking areas. In order for the flow of traffic to work for food pick-ups we ask that all **volunteers park in the designated volunteer area—marked with a red 'P'** on the map below. The map shows you how to navigate to the volunteer parking area. As you head north on Highway 44 turn right at the street immediately past the high school parking lot and prior to the football field. Follow the street past the baseball field and at the first intersection you can turn either left or right and then follow the blue pins on the map to the volunteer parking area. From there, you can find your way to the gym (which is the building with the white roof shown on the map and labeled 'GYM') and enter through the door to the Boys and Girls Club (marked with the red arrow). Please **do not** park in front of the school (since that is where we will load the food into vehicles) or in the lot in front of the gym since that is where the food recipients will park.

This month we will again have **several tons of food** (including frozen meats) which we will distribute from 8:30 a.m. until 10:00 a.m. As always, we rely on you, our fellow volunteers, to help provide this community service and each of you is an integral part of our success in assisting those members of our community that are in need. If you are able to volunteer this Saturday **please arrive by 7:45 a.m.—or earlier if you can**. If you will be working in **registration please arrive by 7:30 a.m.** In addition, to ensure we have sufficient numbers, **registrars please respond to this email with a confirmation** that you will be helping this month.

Finally, our sponsors of the month for May are long-time sponsors **Steve and Eudora Harrold** and our 'parent' organization **The Rotary Club of Greene and Putnam Counties**. As always, we thank them for their generous contribution to our community and for their financial assistance in making this month's distribution happen.

Thank you all again for your help and we hope **YOU** will be able to join us this coming Saturday!

Reid Conklin

—on behalf of the Second Harvest Board and the Rotary Club of Greene and Putnam Counties
