

Summer greetings to all of our Second Harvest volunteers! This is your friendly reminder that our monthly food distribution is happening **Saturday, June 18 at Greene County High School.**

This month we will have almost **15,000 pounds of food** which we will distribute from 9:00 a.m. until 10:30 a.m. As always we rely on you, our fellow volunteers, to help provide this community service and each of you is an integral part of our success in assisting those members of our community that are in need.

If you are able to volunteer this Saturday **please arrive by 8:00 a.m. — or earlier if you can.** If you will be working in **registration please arrive between 7:30 and 7:45 a.m.** In addition, to ensure we have sufficient numbers, **registrars please respond to this email with a confirmation** that you will be helping this month.

In addition to our distributing food this month, **representatives TenderCare Clinic will again join us** with a variety of medical information to share and discuss. They will be ready to serve our food recipients, our volunteers, and anyone else in the community that would like to receive this complimentary service. In addition, representatives from the **Oconee Regional Humane Society** — who are with us every month—will be there to distribute pet food.

Finally, our sponsors of the month for June are **Kris and Ken Greenway** (Kris is also a Second Harvest Board member). The Greenways have also been sponsors of the month previously and we thank them for their generous contribution to our community and for their financial assistance in making this month's distribution happen.

Thank you all again for your help and we hope **YOU** will be able to join us this Saturday!

Reid Conklin
